 Principal
 Dyal Singh College
 KARNAL

Department of Political Science

Course Specific Outcomes
&
Programme Specific Outcomes

For M.A. Course

DYAL SINGH COLLEGE, KARNAL

DEPARTMENT OF POLITICAL SCIENCE

PROGRAMME OUTCOMES (POs)

Programme Outcomes (POs) for PG courses of Faculty of M.A. Political Science		
PO1	Knowledge	To generate knowledge of historical importance and to identify the distinctive contributions of the social science disciplines to the analysis of human inquiry and social issues.
PO2	Problem Solving	To resolve complex social and complex problems through experimentation and observation using tools and methods available in social sciences disciplines.
PO3	Critical Thinking	To evaluate everyday problems confronting the society and analyze specific policy proposals.
PO4	Scientific Inquiry	To develop techniques to describe and analyze the problems, formulate concepts and hypothesis, collect relevant data and interpret the DATA with the help of SPSS.
PO5	Usage of Analytical Tools	To develop the abilities to apply appropriate quantitative/qualitative techniques prevalent in social science disciplines including ICT tools.
PO6	Specialization and Employability	Develop greater understanding of social science disciplines. Introducing skills and techniques that can help to create opportunities of employment in the discipline.
PO7	Interdisciplinary Knowledge & Adaption	Enhance the ability to integrate as well as synthesize the acquired knowledge in social sciences and other disciplines.
PO8	Self Directed Learning	To develop the ability to work independently and effectively in the contemporary social life.
PO9	Ethics	To apply ethical values and ideals which promotes awareness of current social and political practices.
PO10	Leadership	Building skills to work as part of a team and lead others, setting examples and formulating vision for future.
PO11	Communication	Communicate generalizations, interpretations and implications clearly, concisely and effectively, both orally and in writing for different sets of audiences.

Programme Specific Outcomes (PSOs) for M.A. Political Science	
PSO1	The students will be able to have an in depth understanding of theoretical and conceptual underpinnings of politics to examine political behavior.
PSO2	The students will be able to develop the ability to comprehend and analyze political phenomena.
PSO3	The students shall acquire the capacity to observe the politics through various perspectives.
PSO4	The students will be able to comprehend and critically examine various institutions, issues, processes and challenges inherent in political system.
PSO5	The students shall be able to understand the international politics and the character of political institutions working in the country.

POL(C)-01 Western Political Thought

Course Outcomes of Paper-1

Course Objectives: The aim of this course is help the students to understand about the ideas of western political thinkers.

Course Outcomes:

By the end of the course, the students will be able to:-

- POL(C)-01 1. Assess the significance of political ideas of Plato, Aristotle and realist thinkers Like Machiavelli.
