

## Feedback Report: 2020-21

### INTRODUCTION

The IQAC Committee of the institution designs and collects feedback from the stakeholders such as students, teachers, alumni and employers to monitor and evaluate its performance quality on curriculum related issues. Once the feedback is analysed and valuable suggestions are considered then necessary action is taken. Multiple questionnaires consisting of various questions were framed for different stakeholders by the IQAC Committee while following COVID Guidelines. Therefore, the questionnaires were distributed digitally via Google Forms and the responses were collected through the same. The feedback collected in the end amounted to 1058 students of UG and PG Courses, 60 teachers of different departments and 82 alumni in different professions.
