

No. DSC/168/786  
Dated: 04/05/2023

**MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (MoU) is signed between Dyal Singh College, Karnal and CSSRI, Karnal for the Session 2022-23 to 2024-25.

It is agreed to carry out the following activities jointly:

1. Educational visit of our students and faculty members to your Institute and Botanical Garden.
2. Training/Workshop for staff & students on basic research techniques such as soil and water analysis, plant identification, stress physiology in plants, biochemical techniques, identification of plant diseases, weed science, identification and collection of weeds.
3. Study of meteorological equipments & weather forecast survey.
4. Guest Lectures/Interactive Talks for staff & students under the faculty exchange programme.
5. Any other collaborative activity advised by the IQAC of the College.
6. All the activities will be scheduled with respect to date, time duration and availability of the faculty as per prior mutual agreements/approvals from the competent authority and that will be accommodated as per ICAR guidelines.

Both the Institutes will mutually provide all necessary infrastructure and human resource for the proposed activities.
