To,

**The Principal,
Dyal Singh College
Karnal - 132001**

Sir/Madam,

Sub:- Super Mega Career Counselling Programme- A Career Guidance Platform for the Students !!!**Greetings from Committee on Career Counselling, ICAI!!!**

The Institute of Chartered Accountants of India (ICAI) is a statutory body established by an Act of Parliament viz., The Chartered Accountants Act, 1949 (Act No. XXXVIII of 1949) for regulating the profession of Chartered Accountancy in the country. The Institute, which functions under the administrative control of Ministry of Corporate Affairs, Government of India, has five Regional Councils and 166 branches covering the length and breadth of the country. In addition, it has also set up 44 chapters outside India. Founded 73 years ago with just 1700 members, the Institute has grown to cross the mark of 3.58 lac members and about 7.76 lac students as of now.

The Committee on Career Counselling, ICAI is constituted under regulatory provisions of The Chartered Accountants Act, 1949 to promote the Commerce Education with special focus on CA course amongst Secondary, Senior/ Higher Secondary, Graduate/Post Graduate students as well as other stakeholders.

In today's time, deciding the career option is one of the most significant decisions. Decision of career option requires serious thought and planning. Every career option requires a combination of knowledge, skills and aptitude that should match with the individual's potential ability to grow with that career. It is essential for the students to understand the importance and to choose a career in which they have both the required components of interest and potential in order to achieve success.

The ICAI is a partner in nation building and we are sure that with your support and our strength, together we will be able to carve the future of the students by giving proper Career Guidance.
