This Memorandum of Understanding (MoU) is made for three years with the intent of fostering educational collaboration between Dyal Singh College Karnal, hereinafter referred to as "College," and "National Radio & Electric Co. Karnal" in the interest of promoting experiential learning and skill development among students.

Objective:

The primary objective of this MoU is to facilitate the participation of students from Dyal Singh College Karnal in internships organized by National Radio & Electric Co., aimed at providing them with practical exposure and real-world experiences, in alignment with the National Education Policy (NEP).

National Radio & Electric Co. agrees to provide 4–6-week internships for students of Dyal Singh College Karnal, subject to the availability of suitable opportunities and the discretion of National Radio & Electric Co. The criteria for selection will be mutually agreed upon and transparent.

Roles and Responsibilities:**National Radio & Electric Co.:**

- Shall facilitate the internship program, providing necessary resources and mentorship to the interns.
- Will assess the performance of the interns and provide feedback to the College.

Dyal Singh College Karnal:

- Shall identify eligible students and provide them with the necessary information and guidance regarding the internship program.
- Will coordinate with National Radio & Electric Co. to ensure a smooth transition for students during the internship period.

Evaluation and Certification:

- Upon successful completion of the internship, National Radio & Electric Co. Karnal will provide a certificate to the students, detailing their performance and the skills acquired during the internship period.

Any amendments or modifications to this MoU must be made in writing and agreed upon by both parties. In Witness Whereof, the parties hereto have executed this Memorandum of Understanding as of the date first above written.
